Doha – Qatar

WHAT IS THE WEB3D CONFERENCE?

A conference on 3D Web Technology addressing an extensive range of research, development, standards and practice related to web-based 3D graphics.

Attendees share and explore methods of using, enhancing and creating new 3D Web and multimedia technologies.

The conference also focuses on recent trends in interactive 3D graphics, AI, Metaverse, Digital Twin, information integration and usability in the wide range of 3D Web applications from mobile devices to high-end immersive environments.

Sponsored by ACM SIGGRAPH, in co-operation with Web3D Consortium and supported by Eurographics.

Web3D 2026 Conference Site:
<https://web3d.siggraph.org>

**Join the Web3D
Community**

WHO ATTENDS?

LEADERS AND EXPERTS FROM THE 3D GRAPHICS INDUSTRY INCLUDING:

- TECHNOLOGISTS
- 3D GRAPHICS EXPERTS
- RESEARCHERS
- SOFTWARE DEVELOPERS
- WEB DEVELOPERS
- USER INTERFACE EXPERTS
- MOBILE APP DEVELOPERS
- DESIGNERS
- ARTISTS
- HARDWARE PRODUCERS AND OTHERS

**Sponsor and be a
leader in Influencing
3D Web technology**

Call for Participation

WHAT IS SPECIAL THIS YEAR?

Integration of VR, AR, XR, and other immersive technologies into the Digital heritage domain

AI and Metaverse Tracks : Generative AI and web-based Virtual Worlds. These tracks are dedicated to research and challenges on the use of Generative AI and the Metaverse.

Industrial Use Cases, Experts in various industrial fields, who have effectively used digital twin and other 3D technologies will present and discuss their applications, feedback and perspectives for the 3D industry.

Call for Competitions

DIAMOND
\$30,000

**Officially recognized as
“Diamond Sponsor”
during opening and closing ceremonies
Present at the Opening Ceremony**

Name & logo on all pages of the
conference website

Name & logo in the proceedings as well as conference posters, banners,
schedules, etc.

Distribute marketing materials the conference paper and electronic
package.

Possibility to propose a theme for a “Special session” in the program –
inclusion of the session subject to program constraints.

Acknowledged as sponsor of a program session

Mentions in Press releases

Mentions on official channels in social networks (Facebook, Twitter, etc.)

**Officially recognized as
“Platinum Sponsor”
during opening and closing ceremonies**

Name & logo on all pages of the
conference website

Name & logo in the proceedings as well as
conference posters, banners, schedules, etc.

Possibility to distribute marketing materials the
conference paper and electronic package.

Possibility to propose a theme for a Special
session” in the program – inclusion of the
session subject to program constraints.

Acknowledged as sponsor of a program session

Mentions in Press releases

Mentions on official channels in social networks
(Facebook, Twitter, etc.)

**Officially recognized as
“Gold Sponsor”
during opening and closing ceremonies**

Name & logo on all pages of the
conference website

Name & logo in the proceedings as well as
conference posters, banners, schedules, etc.

Possibility to distribute marketing material in
the conference electronic package.
